

INTRODUCTION

Message From Our Manager

Welcome to our Autumn Newsletter.

We have enjoyed a busy few months at Immacolata House, with lots of opportunities for residents to get out and about, try something different and spend time together. From exploring Indian food and culture and taking a journey on the Orient Express, to visits through our Monday Club and our Garden Party, there has been plenty going on.

Our Dementia Café was another lovely occasion, bringing people together through music and good company, while our outings to Hurds Hill and the History Hut gave residents the chance to discover more about local history.

Thank you to our residents, families, staff and everyone who has joined us or helped with our activities and events. We hope you enjoy looking back at some of our recent highlights.

If you know someone who would like to receive our email newsletters/updates just let us know, or forward them the newsletter sign up link below:

ACTIVITIES & EVENTS

Celebrating Indian Food & Culture

As part of our activities exploring the food and cultures of different countries, residents and families enjoyed a day celebrating Indian food and culture.

There was a delicious selection of food to try, along with music and plenty of conversation and laughter. It was a lovely opportunity to experience some of the colours, flavours and traditions of Indian culture together.

Everyone enjoyed getting involved, and it made for a relaxed and sociable day with residents and families spending time together over good food.

Our Dementia Café

Our recent Dementia Café was a great success, with music, laughter and plenty of good company throughout.

We were joined by Georgie and Nelly from West Country Song Birds, who provided the entertainment and had everyone enjoying the music.

Thank you to Georgie and Nelly for coming along and to everyone who joined us. It was lovely to see so many people enjoying the afternoon together.

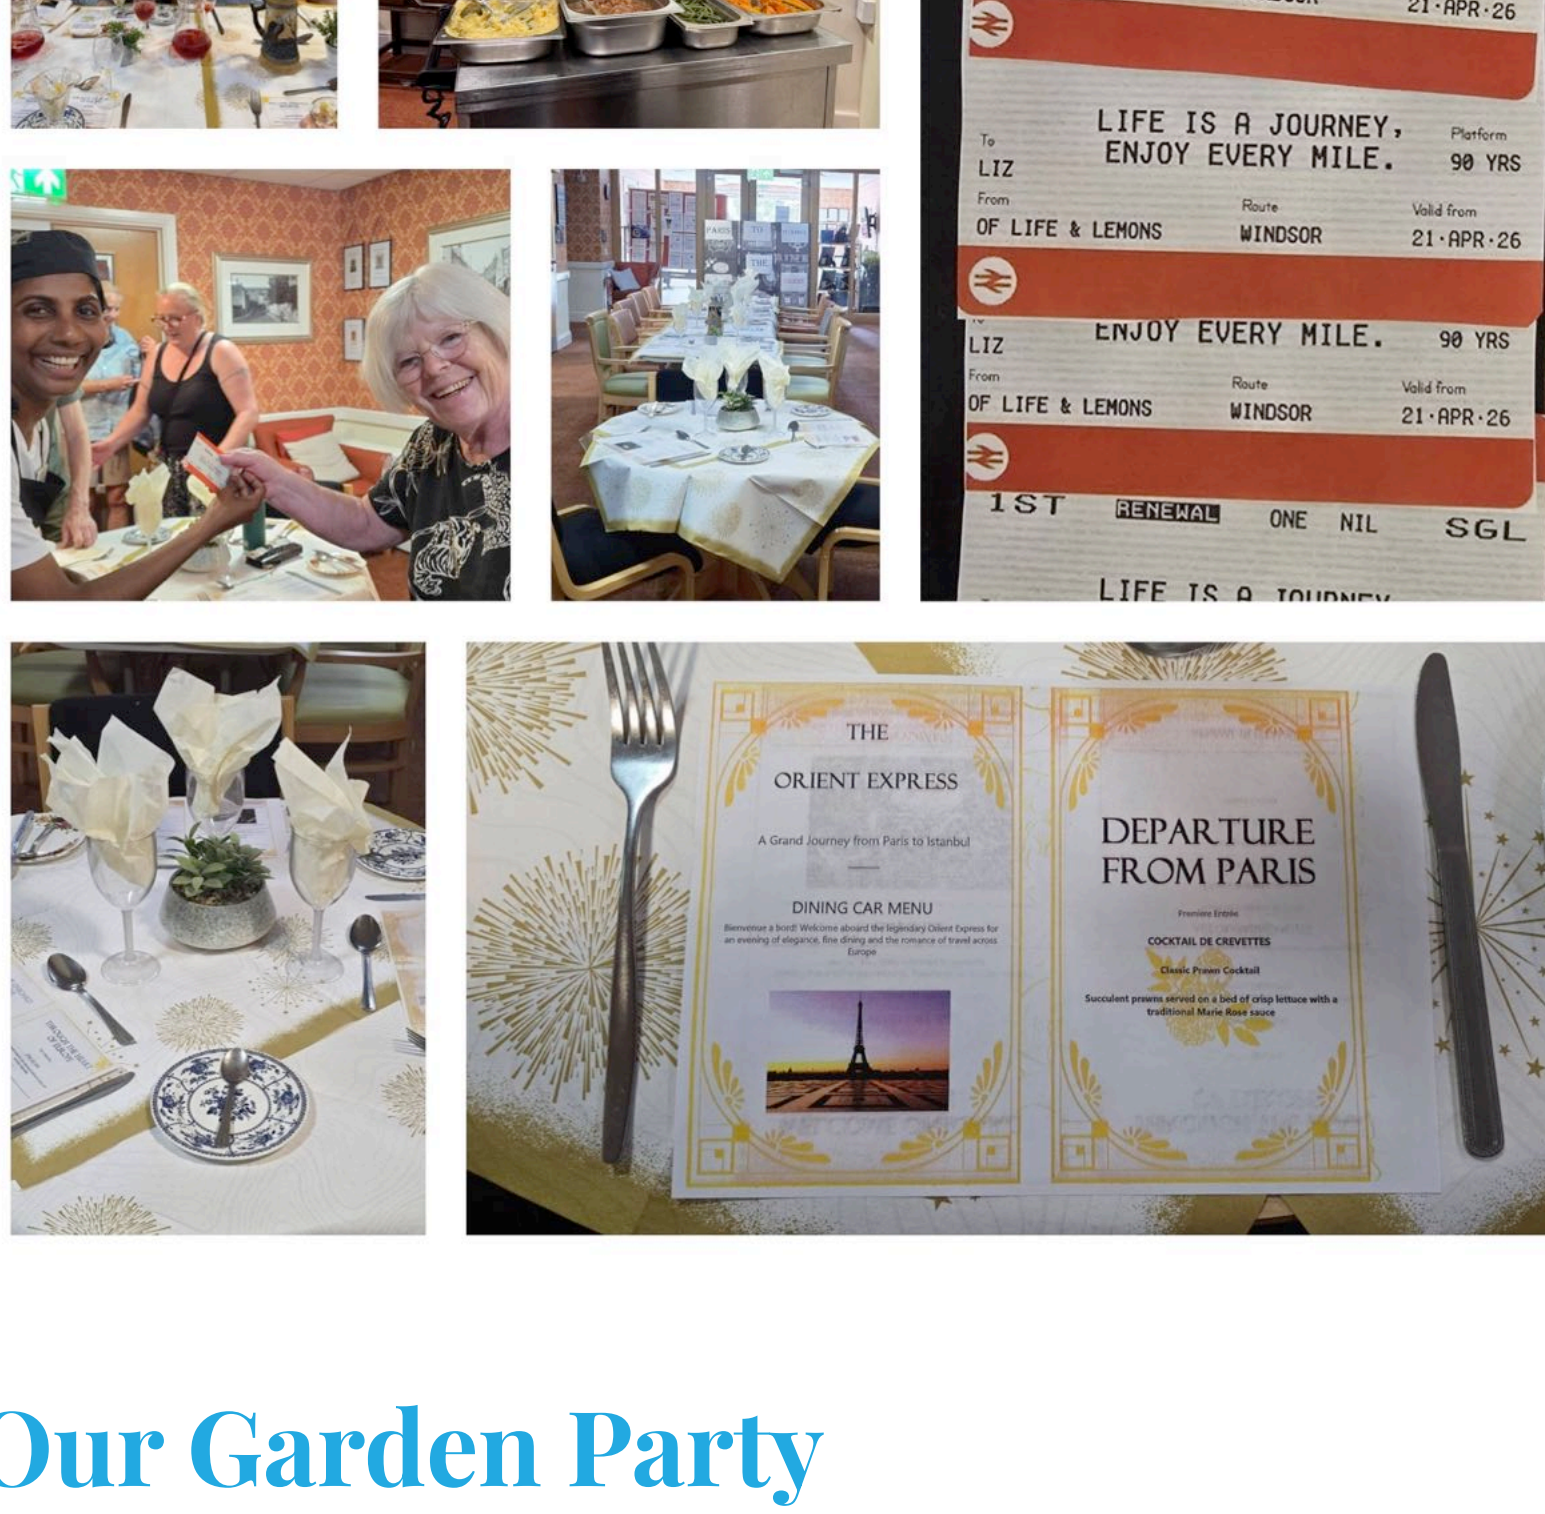

All Aboard the Orient Express

Residents enjoyed a rather different journey with our 'Paris to Istanbul - Orient Express' activity.

The experience gave everyone the chance to enjoy the theme of travelling aboard the famous train, accompanied by a lovely meal prepared by our chef.

Residents thoroughly enjoyed the journey and the food, and the activity was made possible with plenty of teamwork from our staff.

A big thank you to our chef and everyone who helped organise and support the activity. It was an enjoyable experience for our residents and something a little different for everyone to share.

Our Garden Party

We had a lovely time at our Garden Party and would like to thank everyone who helped make the day such an enjoyable occasion.

Kelly Dale provided live music with her wonderful voice, while the Enigma Morris Dance Group entertained everyone with their performance.

Chef Sue also came up with the idea of a Mocktail Bar and Ice Cream Parlour, which proved particularly popular in the hot weather. Residents and families were able to cool down with a refreshing drink or ice cream while enjoying the entertainment and spending time together.

Congratulations also go to our raffle winners, and thank you to everyone who supported the raffle and joined us on the day. There were plenty of smiles and laughter throughout the event.

MONDAY CLUB

Visit to Hurds Hill

Our Monday Club enjoyed a trip to Hurds Hill in Langport, where residents had the opportunity to explore the beautiful building and its surroundings.

The welcoming staff shared some fascinating information about the history of the house, which dates back around 200 years to 1826. Residents enjoyed looking around both inside and outside and taking in the lovely views.

The visit was rounded off with a tea and cake party, giving everyone time to sit together, chat and enjoy some refreshments.

Thank you to the team at Hurds Hill for making us feel so welcome and helping to make the visit such an enjoyable one.

Discovering Local History

Another Monday Club outing took residents to the History Hut, where there was plenty to discover.

Residents enjoyed exploring the different historical items, learning more about local history and listening to stories from the past. The displays also prompted plenty of reminiscing, with residents sharing their own memories and experiences with one another.

It was an interesting and enjoyable visit, combining learning with lots of conversation and time spent together.

COMING UP

Looking Ahead...

As we move into autumn, we look forward to continuing our programme of activities, outings and opportunities for residents to spend time together.

Our recent events have given us a lovely mixture of music, food, history, culture and community connections, and we look forward to creating more enjoyable experiences together over the coming months.
